Driving directions:

From New York City or the North Fork:

Take the Long Island Expressway to last exit, number 73 in Riverhead. When you come off that exit, you will be heading east on County Road 58. County Road 58 becomes Route 25 on the other side of Riverhead. It is about a 45 minute drive from the end of the expressway to Greenport. In Greenport you will pass the High School on the left side.

Within 2 blocks - on the right side - you will see markers for Route 114 and Shelter Island Ferry. Follow those markers - down side street - to ferry landing.

From North Ferry: (aprox 1/2 mile)

Coming off the ferry you will continue straight on Rte. 114 S. As soon as you see the "Shelter Island Pharmacy', make a left onto Chase Ave. (which is still Rte. 114 S). Proceed through the village over a small bridge. You will pass a Mobil Gas station on your right, go up the hill and make your first left onto Winthrop Rd. We are #13, on the left. Enter the drive next to the tennis courts and look for the sign for the lobby. Park and check-in at the front desk.

It is approximately a 3 minute drive from the ferry.
